## Stemming Irregular Migration in Northern and Central Ethiopia - SINCE

The “Stemming Irregular Migration from Northern and Central Ethiopia - SINCE” Programme is funded by the European Trust Fund for Africa with a total budget of 20 million Euro and is managed by the Italian Ministry of Foreign Affairs and International Cooperation through the Embassy of Italy in Addis Ababa, sided by the Italian Agency for Development Cooperation (AICS).

The SINCE Programme aims at reducing the causes of irregular migration from Northern and Central Ethiopia by increasing employment opportunities for youth, women, potential migrants and returnees. The overall targeted beneficiaries are 8,200 in the implementation areas which include Addis Ababa City Administration, Amhara, Oromia, Southern Nations, Nationalities and Peoples’ and Tigray Regional States during the implementation period December 2015 – March 2021.

The specific objective of SINCE is to facilitate the creation

of employment opportunities for potential migrants and returnees, focusing on women and youth by strengthening the capacities of Technical Vocational Education and Training (TVET) Colleges and Public Employment Services (PES) providers, and by promoting Public Private Partnerships (PPPs) in strategic value chains.

### IMPLEMENTATION STRATEGY

The implementation of SINCE includes two main strategic pillars:

- short-term responses to facilitate wage employment to 8,200 people through the provision of training courses relevant to private sector’s needs;
- medium and long-term strategies, establishing 17 multi-stakeholders platforms to promote sustainable 181 Public-Private Partnerships

### KEY STAKEHOLDERS

- 6 Project Steering Committees have been set up at federal and regional level to ensure sustainability and ownership by the Ethiopian Government.
- 28 TVETs are capacitated and strengthened to offer 41 demand-driven short training courses.
- 351 private enterprises directly involved to facilitate the design of 41 short-term trainings, host 7162 cooperative trainings and apprenticeships, participate in 17 multi-stakeholders platforms and sign 181 job-creation oriented PPPs.
- 22 Local Administrations, offering Public Employment Services, are strengthened.
