Stemming Irregular Migration in Northern and Central Ethiopia

SINCE aims at contributing to the **reduction of irregular migration** from Northern and Central Ethiopia by **improving the living conditions** of the most vulnerable population.

The specific objective of SINCE is to facilitate the **creation of employment opportunities** for potential migrants and returnees, focusing on women and youth, in the most migration prone regions of Ethiopia (Addis Ababa, Amhara, Oromia, SNNPR and Tigray), by strengthening the capacities of **Technical Vocational Training (TVET)** centers and **Public Employment Services (PES)** providers, and by promoting **Public Private Partnerships (PPPs)** in **strategic value chains**.

IMPLEMENTATION STRATEGY

The implementation of SINCE includes two main strategic pillars:

- **short-term** responses to facilitate wage employment to **8,200 people** through the provision of **training courses** relevant to private sectors needs;
- **medium and long-term** strategies, establishing **16 multi-stakeholders platforms** to promote sustainable **145 Public-Private Partnerships**.

KEY STAKEHOLDERS

- **6 Project Steering Committees** have been set up at federal and regional level to ensure **sustainability** and **ownership** by the **Ethiopian Government**.
- **27 TVETs** are capacitated and strengthened to offer **39** demand-driven **short training** courses.
- **328 private companies** are involved in the design of short-term trainings, host **7800 cooperative training** and **apprenticeships**, participate in **16 multi-stakeholders platforms** and sign **145 PPPs** with TVETs and PES/local administrations.
- **22 Local Administrations**, offering **Public Employment Services**, are strengthened.
